#### Notes
- The table above outlines the demands and expenditures for irrigation projects in the Public Works Department for the year 2004. The table details the construction of anicut across the Girdhamal River in Ambalathadi Village in Kamarajar District and other similar projects.
- The table includes columns for the project description, state's expenditure, charged amount, and voted amount, as well as notes on externally aided projects.

### Note
- (Rupees in Thousands)
- Total amounts are rounded to the nearest thousand for simplicity.
- Each category and sub-category is listed with its corresponding amount in thousands of rupees.

### Analysis
- The demand for irrigation-related works is significant, with a focus on preparations, studies, and services.
- The largest single category is JP, which accounts for over 30000 rupees.
- JQ follows with a significant contribution, indicating the importance of eco-restoration projects.
- JR contributes a smaller amount, focusing on project investigations and specific operations.

### Conclusion
- The Public Works Department prioritizes comprehensive infrastructure works, ensuring that various aspects of irrigation projects are covered, from planning to implementation and monitoring.
